Dear Randy,

The marketing coaching and materials provided by you and the Duct Tape Marketing Program have been easy to implement, effective and affordable. Duct Tape Marketing has helped our company find ideas and strategies that are tailored to meet the needs of our small business. Rather than continue to rely upon "The marketing idea of the season" or some other chaotic approach, you have provided CTI Abstract Corp. a window through which we now see a marketing system that has and will continue to provide great results. Now that you have shown my company how to get customers to know, like and trust us I've noticed that they contact and refer us more. Thanks to you and the Duct Tape Marketing Program I am confident that CTI Abstract Corp. has developed and is executing a marketing plan that will give our business the future I've always known it could have.

Gratefully,

William Youngman, Esq.
